IMPORTANT INFORMATION

1. All Guests must have 3 full functioning limbs to use rides*. A Fixed prosthetic shall be considered a fully functioning limb (unless stated otherwise on a specific ride information), once it is fully secured before using the attractions to prevent hazard or loss due to ride forces *Please see additional notes on individual rides
2. To use the rides all guests must be able to maintain the proper riding position throughout the ride, grip handholds, keep upright in their seats and brace themselves as required.
3. There are specific boarding requirements for those using wheelchairs at each attraction. Guest using a wheelchair may require additional assistance to board rides.
4. Guests with pre-existing injury or health condition will not be permitted to use the rides.
5. While we wish everyone to enjoy the rides, for health & safety reasons, some rides may not be suitable. Final decision for ride accessibility will lie with the Emerald Park ride operator.
